SIRAND

A wide-angle photograph of a beach at sunset or sunrise. The sky is a hazy orange and pink. In the foreground, the ocean waves gently onto the sandy shore. Several people are in the water; some are standing in the shallows, while others are further out. A long wooden pier extends from the left side of the frame into the water. On the right side, a steep, dark hillside rises, covered with palm trees and houses. The word "SIRAND" is printed in a large, white, serif font across the center of the image, with a thin white rectangular border around the text area.

A wide-angle photograph of a mountainous landscape. In the foreground, there's a mix of green vegetation and some dry, brownish areas. A dirt path or road cuts through the center-left. The middle ground is filled with rolling hills covered in dense green forests. In the background, a range of mountains stretches across the horizon under a sky filled with large, white, billowing clouds.
